

Dear Transplant Recipient:

Our family is overjoyed by the fact that you received the gift a sight that my husband was able to provide.

We have a son who is a wonderful being. My husband loved family, watching movies, music, football, casinos, and helping people. He was the kind of guy that would give you the shirt off his back and give a hot meal to a drifter. He loved flipping houses for many years.

I'm writing to you in hopes of maybe someday we can meet you. Please consider, as we would absolutely love to.

Thank you for taking the time to read this.

- Regards Donor family
