

# DONOR FAMILY QUILT

## About the Quilt & Storybook

The "Reflections" donor family quilt is a forever tribute to your loved one who has given the Gift of Sight through eye/cornea donation. Each square is a visual legacy of this gift.

You are welcome to send along with your quilt square a one page tribute to your loved one. You may wish to share your loved one's favorite poem, song, or phrase, or a special memory. If you wish, you may include on it a favorite photograph of your loved one. See instructions below.

Your quilt square should be an 8 inch square, allowing for an 1/2 inch seam on all four sides. You may use any fabric color, including sentimental materials such as a loved ones favorite t-shirt or blanket. Please make sure added decorative materials are securely placed (sewn) onto your quilt square. Please do not "finish" the quilt square with quilting or backing. Before sending your quilt square, you may want to take a photograph of it so that you will always remember its design.

You may also send us just a photo of your loved one along with a 250 word tribute and we will create a digital square, which can be viewed on our website.
